E-ZPass is an automatic, electronic toll collection systems that quickly and efficiently moves traffic through toll facilities in Virginia and along much of the East Coast. A motorist with an E-ZPass transponder mounted on the inside of the windshield or on the license plate, can travel through E-ZPass toll lanes and the toll is automatically deducted from a pre-paid account. [Toll roads accepting E-Z Pass](#) are available on the website.

Current E-ZPass States are Virginia, West Virginia, Maryland, Delaware, Pennsylvania, New Hampshire, New Jersey, New York, Ohio, Maine, Massachusetts, Indiana and Illinois.

Complete an [Application](#) to request a transponder.

Customer service centers are located across the state in areas with toll roads.
