If you need dental care, but you don't have dental insurance, you may be eligible to receive dental care at the Free Clinic. We believe that everyone should have access to high-quality dental care.

They provide free acute dental care and basic dental care for adults by appointment only.

Dental hygiene services are provided by Virginia Commonwealth University (VCU) dental hygiene students under the supervision of volunteer local dentists

Services include:

- extensive check-ups
- extractions
- endodontic and dentures
- filling of cavities
- dental hygiene
