

Arthritis Foundation Helpline

Managing arthritis is complicated. Call the Arthritis Foundation's toll-free Helpline anytime to get the support you need from experts you can trust.

Trained social workers are standing by with resources that could help you:

- Pay for your medications
- Interpret your insurance coverage
- Better understand your disease
- Connect you with other people like you
- And much more

Your arthritis answers are a call away. The Arthritis Foundation offers one-on-one support through our toll-free Helpline, staffed by licensed, clinical social workers.

Call us 7 days a week at 1-844-571-HELP for personal solutions to your arthritis issues.
