BEYOND Quality of Life PLLC offers mobile in-home therapy services. Specialized treatment programs include:

Self-Care Training: Analyze deficits and provide training to improve safety and independence with self-care tasks.

Dementia Management: Identify deficits and implement functional strategies for the client and the caregivers.

Fall Prevention: Analyze, design, and implement strategies and interventions to decrease fall risk.

Pain Management: Pinpoint pain factors and utilize a variety of interventions to prevent, decrease, or eliminate pain.

Stroke Recovery: Utilize Neurological Re-education techniques to improve function.

Parkinson's and MS Functional Maintenance: Design and implement a program to prevent or slow the decline of progressive disease processes.

Service Area(s)

Smyth County

,

Washington County
